October 27, 2011
Gunstock Mountain Resort, Gilford, NH

*Partners, Speakers,
and Success Team Spotlight*

3rd Annual "A-Ha!" NH Social Media Business Summit

Your Allies in Possibility!

Lani & Allen Voivod

Hailed as "visionary" and "two of the most creative thinkers in the industry" by the NH Division of Economic Development, Lani and Allen Voivod share powerful social marketing and success strategies through speaking, events, webinars, workshops, and their own online channels.

Their company, Epiphanies, Inc., is in the business of engaging leaders, inspiring entrepreneurs, and redefining what's possible for bold brands, innovative businesses, and mission-driven organizations in this dynamic, relationship-driven world.

Presentations and specialties include: Facebook, Twitter, Blogging, Content Marketing, YouTube, LinkedIn, Foursquare, Community Building, Brainstorming, Online Branding, Storytelling, Google+, and Integrated Email Campaigns.

As members of an intimate, global mastermind group led by Mari Smith (dubbed "The Pied Piper of Facebook" by Fast Company and winner of Fast Company's "Influence Project"), Lani and Allen believe in the **power and profitability of collaboration, creative energy, and purposeful play.**

Highlights

- Founders and creators of the annual "A-Ha!" NH Social Media Business Summit
- Interviewed for Forbes.com, Blog Talk Radio, NHPR, and WTPL
- Featured in the Union Leader, BusinessNH Magazine, NHBR, the "No Bull" Business Blog, and other NH-focused news outlets
- Passionate about communication, content, ideas, innovation, NH's economy, and the Social Web
- Think of Allen, Lani, and Epiphanies, Inc. for speaking, keynotes, presentations, panel discussions, custom workshops, and creative collaborations

3rd Annual "A-Ha!" NH Social Media Business Summit

Featured Speakers

Abby Fichtner

Abby Fichtner is the Hacker Chick. She's been developing software ever since her father brought home an Atari 800 at the age of 8. She's also a Developer Evangelist for Startups at Microsoft where she has the most awesome job of helping startups create the next generation of software. In the blur between Atari 800 & Microsoft, she worked for a number of startups and became extremely passionate about how we can develop better software. So, she created The Hacker Chick Blog and got active (online & off!) about spreading the good word -- and for that, she's received back 100 fold. Microsoft BizSpark provides startups with software, support & visibility for developing software:

Steve Boucher

Steve Boucher has worked as Communications & Legislative Director for the New Hampshire Division of Economic Development since January, 2001. In his role at the Division of Economic Development, Steve coordinates all aspects of internal and external communications for the state's economic development effort including media interaction, strategic planning, social media, collateral development, web design and copywriting. In addition, he is entrusted with developing public relations strategies and campaigns for a variety of special projects including the statewide Governor's Advanced Manufacturing & High Technology Summit, Greenerpalooza, the Open Invitation initiative and the NH Economic Development Summit.

The Success Team!

Michelle Goodearl

Hi! I'm Michelle Goodearl and have been photographing the world around me and the beautiful people in it since I was five with my Mickey Mouse 110 camera. These days, I am passionate about providing clients with truly unique business and lifestyle portraits. I was the first Heart Gallery Photographer for the State of New Hampshire, and am blissed out to be able to provide schools with really cool school portraits, families with heirloom pictures and musicians with album and promo images. For my recent project, I'm working with an Academy Award winning director, photographing a movie currently in production.

Daniel Freund

Daniel Freund is a digital media professional with nearly 11 years of industry experience. He currently owns and operates Kinney Hill Media Partners, a boutique, digital strategy and production agency in Portsmouth, NH. He is involved with numerous projects ranging from web-based client engagements, to interactive online video series and television production. Previously, Daniel worked as a producer for Silver Oven Studios, a brand strategy firm serving the private equity industry. He has also held positions in the publishing industry where he was responsible for creating supplementary media assets for college and university courses internationally. Daniel enjoys making friends, and lives with his wife in Portsmouth.
